The new owner, once up the communal staircase will be greeted by their own balcony, bright and spacious which allows access to the main living accommodation.

Upon entering, the new owner will be welcomed via the striking and spacious entrance hall which measures a huge 24'7 in length. The entrance hall allows access to all of the remaining living accommodation.

The master bedroom measures 12'2 x 10'1 complete with dual aspect windows which afford a wealth of light into the room.

The bathroom suite measures a further 7'11 x 6'5 and consists of the W/C, washbasin, and corner shower.

Worthy of special mention is the stunning open plan lounge/diner which interlinks perfectly with the kitchen. The kitchen measures 7'6 x 6'11 with a 'cutout' looking through into the lounge come diner. Should the new owner wish to open the space between the kitchen and lounge come diner this should be feasible subject to building regulations. This would create a huge kitchen, dining and living area.

At present, the main lounge come diner measures an impressive 17'2 x 13'5 complete with a feature bay window. This room offers the perfect environment in which to both entertain and relax.

Externally, as previously referenced, the property profits from its own, enclosed balcony plus a wealth of communal parking.

Further benefits include the fantastic finish throughout plus the loft access, accessible off of the entrance hall.

Situated set back from the road on a quiet and family-friendly cul de sac there is no through traffic which is a fine feature within itself.

Located within walking distance of local shops and amenities the location offers something for all ages and for all of the family.

Internal viewings come strongly recommended so that one can appreciate firsthand all that this wonderful home has to offer.
