Havisham House, Bell Lane

Tucked between the sought-after villages of Biddenden and Headcorn, this three-bedroom flat at Havisham House offers a rare chance to enjoy the charm of Kentish countryside living without sacrificing everyday convenience.

The flat itself is spacious and versatile, with three well-proportioned bedrooms that lend themselves to family life, working from home or welcoming guests. A bright reception room creates a natural heart to the home, perfect for relaxing or entertaining, while the kitchen provides ample space and storage for easy day-to-day living. The bathroom is modern and practical, and the entrance hall with its additional storage adds to the sense of space and comfort.
