Welcome to a truly exceptional property, Approached through electric gates, Teme House - a brand-new build eco house located in one of the most desirable village locations, situated in an exclusive setting; this exquisite home is one of only three new-build properties, Opportunity to own a very individual, architect designed house that has been finished to an impeccable standard

Designed with meticulous attention to detail, this eco-friendly house has a wide range of sustainable features, ensuring a greener and more energy-efficient living experience. The property is equipped with a state-of-the-art Panasonic air source heat pump, providing 100% heating and hot water. Additionally, underfloor heating, solar panels, and thermostats in each zone further enhance the eco-friendly credentials of this remarkable home.

Spanning an impressive 2,853 sqft, both the interior and exterior of this house have been thoughtfully designed with flair. As you enter, you'll be captivated by the striking entrance hallway, which sets the tone for the rest of the property. The living space throughout is a true highlight, featuring a stunning sitting room with a vaulted ceiling and wall-length of sliding doors that offer uninterrupted views of the garden

The kitchen family room is a masterpiece of design, German engineered and individually designed (Hacker make) fully fitted with appliances that will inspire any chef of the family. Featuring a further wall-length of sliding doors that seamlessly merge the indoor and outdoor spaces.

The ground floor presents a double bedroom with a fully accessible wet-room, allowing you to future proof -providing the convenience of single-level living. A separate study offers the perfect space for those who work from home, ensuring ease and efficiency throughout the day. Storage is prioritised with a double garage, and a dedicated boot room, catering to all your organisational needs.

The beautifully designed staircase leads you to the first floor, where you'll find two additional bedrooms and a master bedroom that exudes luxury. The master bedroom has an en-suite shower room and a glass balcony, allowing you to soak in the breathtaking countryside views. The family bathroom on this floor is spacious and exquisitely designed, offering a serene retreat for relaxation.

Outside, the gardens are predominantly laid to lawn, providing a blank canvas for the green-fingered enthusiast to create something truly special. Two separate private patio areas are strategically placed to capture the southwest sunlight, perfect for enjoying al fresco dining and entertaining family and friends.

The nearby villages of Flyford Flavell and Inkberrow offer a shop, post office, primary schools and public houses. The village of Rous Lench is situated around a village green, it has a fine church and village hall that hosts various public events which are family friendly. There are excellent schools - Flyford Flavell Primary School, Church Lench C of E First School which is outstanding, Inkberrow Primary School - Outstanding, Upton Snodsbury C of E - Outstanding. Kings Worcester, RGS Worcester, Bromsgrove School & Malvern College.
