Offers in the Region Of £475,000

Extremely motivated sellers who are seeking a quick sale in order to secure the home of their dreams and have priced this spacious home competitively to achieve that.

Located at the very end of a small close this detached family home provides exceptionally spacious accommodation with a superb kitchen/breakfast room complete with full range of fitted appliances complimented by granite work surfaces. There is a good size lounge, separate dining room and particularly generous utility room as well as cloakroom all on the ground floor. Upstairs the four bedrooms are all of good proportions with two having en suite facilities along with the family bathroom.

The driveway offers parking side by side and there is a double garage which can be accessed via the utility room and offers the possibility for conversion or part conversion if someone wanted subject to any necessary permissions and consents. The rear garden is enclosed predominantly with a brick retaining wall and is completely private from any neighbouring properties and enjoys a significant amount of sunshine due to its South Westerly aspect.

The sellers have fitted sun protection film to all the rear windows along with wooden blinds which are included within the sale.
