NO UPWARD CHAIN...

This two-bedroom end-terrace house is offered to the market with no upward chain, making it an ideal opportunity for first-time buyers, young families, or downsizers. Situated in a popular location, the property benefits from close proximity to a range of local amenities, excellent transport links, and access to great school catchments. The ground floor features an entrance, a cosy living room complete with a feature fireplace and painted wooden beams, a fitted kitchen, a bright conservatory perfect for dining or relaxing, and a handy storage room. The storage room was previously a bathroom and could easily be converted back if desired. It also offers a useful size for use as a home office or utility room, providing added flexibility. Upstairs offers two well-proportioned bedrooms, a three-piece bathroom suite, and access to a boarded loft via a drop-down ladder, ideal for additional storage. The home is heated by an energy-efficient air source heat pump, contributing to lower running costs. Externally, there is a driveway to the front providing off-street parking, and to the rear, a private south-facing garden with a patio, lawn, and a detached garage, ideal for extra storage or workshop space.
