

# Energy performance certificate (EPC)

|                                                        |                           |                                                         |
|--------------------------------------------------------|---------------------------|---------------------------------------------------------|
| COSTA COFFEE<br>24 Promenade<br>CHELTENHAM<br>GL50 1LR | Energy rating<br><b>B</b> | Valid until: <b>9 August 2032</b>                       |
|                                                        |                           | Certificate number: <b>8542-3163-2826-8054-2143</b>     |
| <b>Property type</b>                                   |                           | Restaurants and Cafes/Drinking Establishments/Takeaways |
| <b>Total floor area</b>                                |                           | 186 square metres                                       |

## Rules on letting this property

Properties can be let if they have an energy rating from A+ to E.

You can read [guidance for landlords on the regulations and exemptions](https://www.gov.uk/government/publications/non-domestic-private-rented-property-minimum-energy-efficiency-standard-landlord-guidance) (<https://www.gov.uk/government/publications/non-domestic-private-rented-property-minimum-energy-efficiency-standard-landlord-guidance>).

## Energy rating and score

This property's energy rating is B.

Properties get a rating from A+ (best) to G (worst) and a score.

The better the rating and score, the lower your property's carbon emissions are likely to be.

## How this property compares to others

Properties similar to this one could have ratings:

If newly built

13 A

If typical of the existing stock

51 C

## Breakdown of this property's energy performance

|                                                                     |                           |
|---------------------------------------------------------------------|---------------------------|
| Main heating fuel                                                   | Grid Supplied Electricity |
| Building environment                                                | Air Conditioning          |
| Assessment level                                                    | 3                         |
| Building emission rate (kgCO <sub>2</sub> /m <sup>2</sup> per year) | 50.43                     |
| Primary energy use (kWh/m <sup>2</sup> per year)                    | 545                       |

## Recommendation report

Guidance on improving the energy performance of this property can be found in the [recommendation report \(/energy-certificate/7262-3129-6886-0950-5627\)](#).

## Who to contact about this certificate

### Contacting the assessor

If you're unhappy about your property's energy assessment or certificate, you can complain to the assessor who created it.

|                 |                                                                                    |
|-----------------|------------------------------------------------------------------------------------|
| Assessor's name | The Navitas Partnership                                                            |
| Telephone       | 01275 397025                                                                       |
| Email           | <a href="mailto:info@thenavitaspartnership.com">info@thenavitaspartnership.com</a> |

### Contacting the accreditation scheme

If you're still unhappy after contacting the assessor, you should contact the assessor's accreditation scheme.
