## **LOCATION**

The expanding town of Huntingdon lies 60 miles north of London, 16 miles north-west of Cambridge and 19 miles to the south of Peterborough. The A14 trunk road bypasses the town to the south and has undergone a major upgrade between Huntingdon and Cambridge which has considerably reduced journey times. The A1 links with the A14 and the M11, which is located just to the southwest of Cambridge. Huntingdon also benefits from a mainline railway station with frequent services to London (St Pancras International).

Godwin house is predominantly located on George Street, close to Huntingdon train station and the pedestrianised town centre.
