

Prince's Place

Radcliffe on Trent

There's no place like home

Putting customers first

Building homes is what Amplus does, and we do it exceptionally well across the Midlands and beyond. Over a number of years, we've seen what people really like about the homes we build and we build on that experience.

So you know that behind the kerb appeal, there's a structure that meets the highest professional standards. You know that every detail has been checked and inspected. That's experience!

Finally, **location, location, location**. You will see, we try to find the very best spot for every taste, as we believe in quality homes, in quality places.

Home is a place for everything

Your home should fit around your life. So whether you're a budding chef, artist or just like to relax, you'll find room for whatever you're passionate about.

Home is for making memories

Your home is your haven. From the minute you unlock your front door, a new chapter in your life begins.

Home is where your family grows

From baby to young adult, having a space in which your family can grow together is so important. That's why we build more than just homes.

Home is a warm place

Whether you're curling up on the sofa or having a family meal, your home will keep you warm and content all year round.

Homes built to last

There's no feeling like stepping into your new home. Whatever your plans are for tomorrow, we build our homes with a long and happy future in mind.

Home is where love resides

Nottinghamshire is a county which boasts a rich heritage. The world's oldest professional football club, the legend of Robin Hood and mansions which regularly feature in Hollywood blockbusters, there's plenty to keep you entertained. Surrounded by some of England's most beautiful countryside – including the infamous Sherwood Forest - Nottinghamshire has something for everyone. With two universities and numerous high-performing schools, a home at Prince's Place will help you create memories to last a lifetime.

Commuter links

Recent improvements to the A52 and surrounding road networks has meant getting around town is even easier. There are also ample public transport options to take you to wherever your destination is, including Skegness for a proper British seaside day out! Once in Nottingham itself, the city's tram network is reliable and easy to navigate.

Health and wellbeing

With lots of public footpaths and plenty of stunning walks, Radcliffe on Trent has plenty to keep you fit and healthy. Holme Pierrepont is also nearby and is home to the National Water Sports Centre. If you'd rather stay dry, Radcliffe on Trent offers a skate park and a golf club close to your new home. There will also be lots more to discover as you settle in.

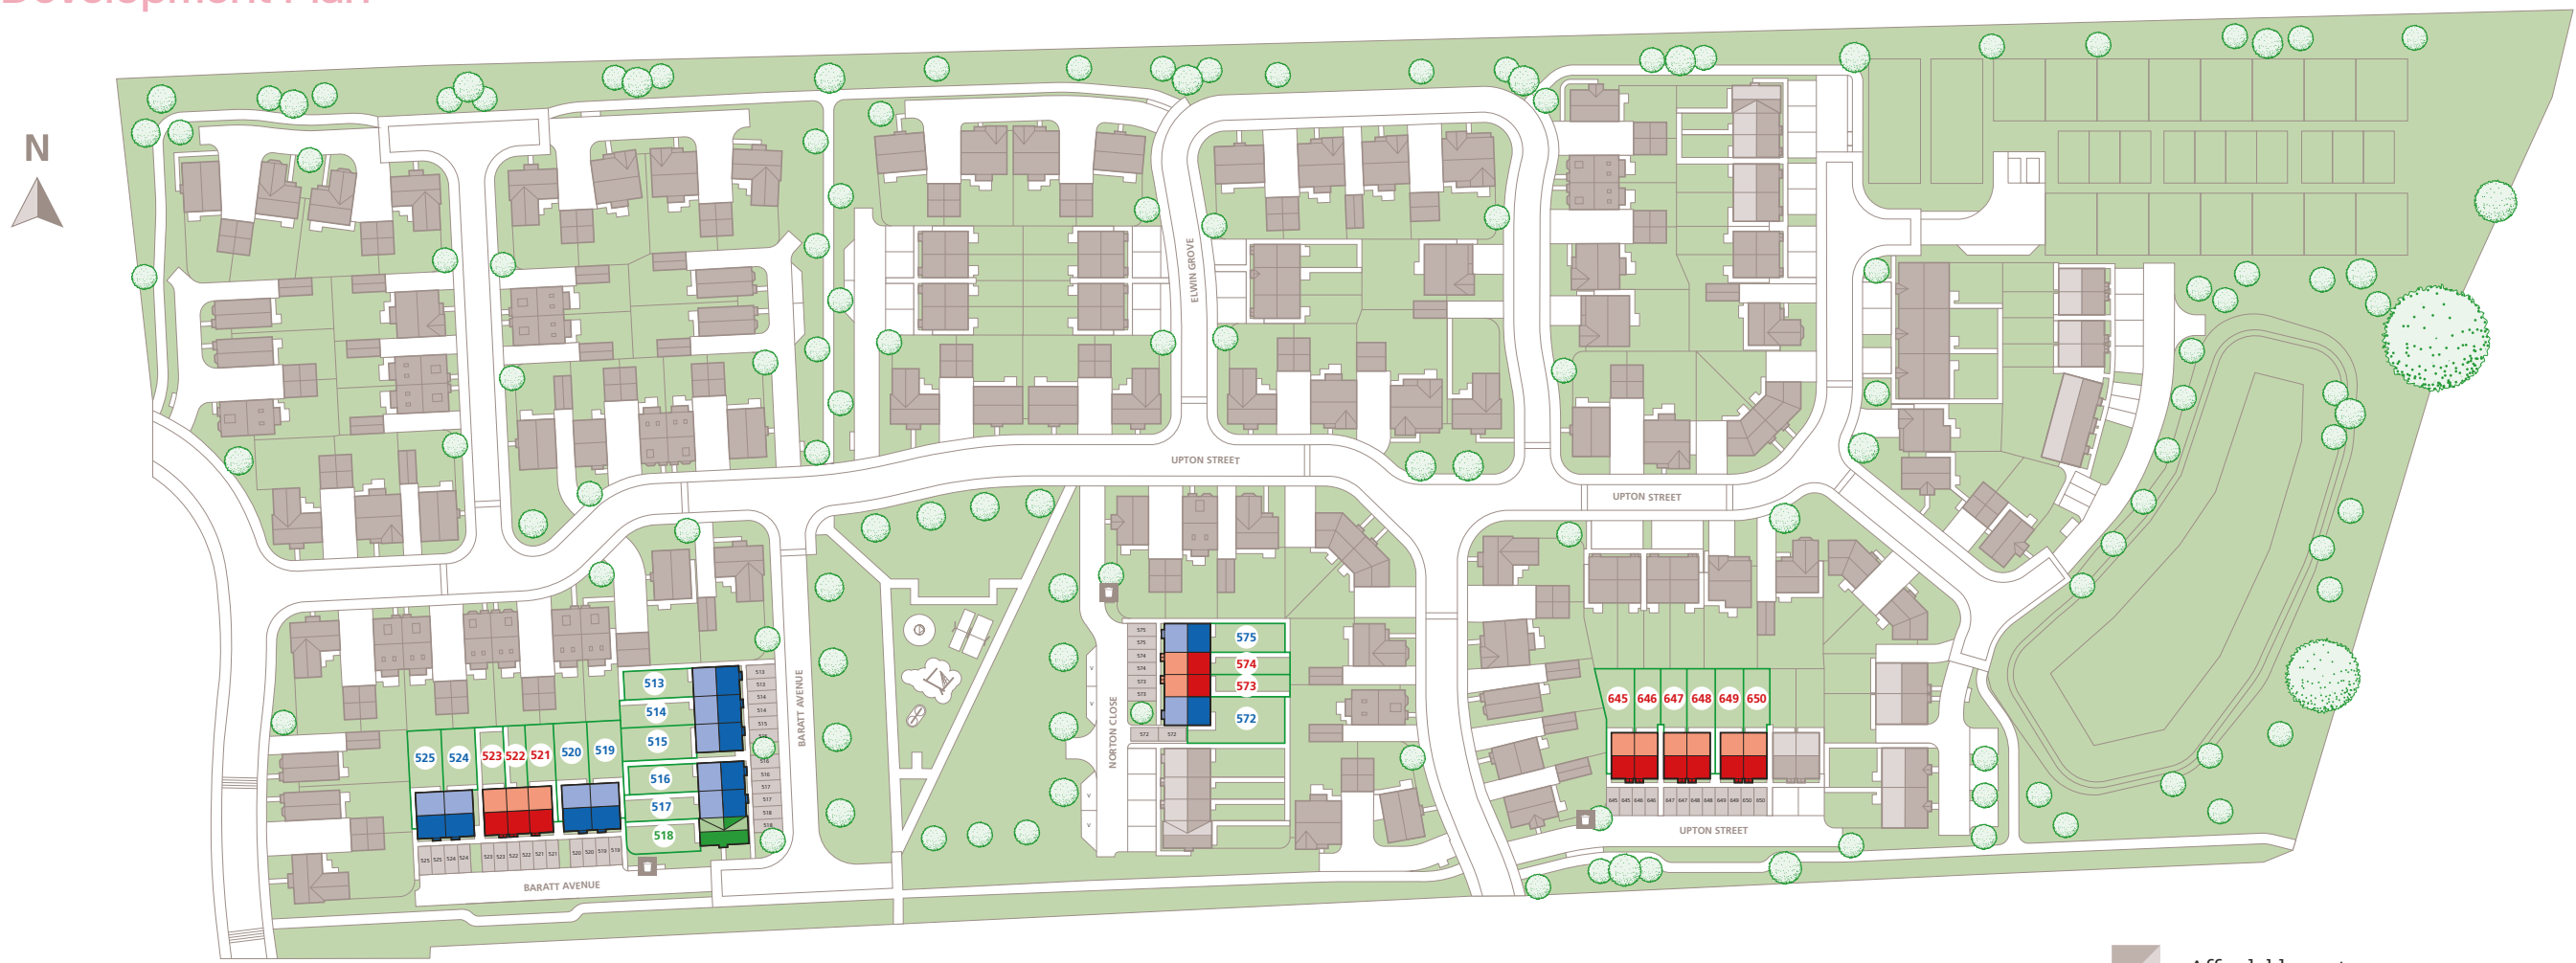

Education

Radcliffe on Trent has everything a growing mind will need. From pre-schools right up to sixth form at South Nottinghamshire Academy, education is a top priority in Nottinghamshire. The city of Nottingham also has two universities to choose from. Ruddington Grange Golf Club is also nearby.
