This exceptional detached property showcases the outstanding work of its current owners, who have skilfully renovated and extended it to create a modern living space with annexe potential. Finished to an impeccable standard, the home features new UPVC anthracite windows, ample sockets, a smart boiler, recessed lighting, gas central heating, contemporary oak doors, modern kitchen, and sleek bathrooms. Upon entering, you're welcomed by a spacious hallway with grey wood-effect flooring, a staircase to the first floor, and a cleverly concealed cupboard under the stairs housing the fuse board. At the rear of the hall, you'll find a convenient laundry room with plumbing for a washing machine and tumble dryer, a countertop, space for coats and shoes, and the smart boiler. A door from here provides access to the garden.

The open-plan high-gloss kitchen is bright and airy, benefiting from dual-aspect windows and a seamless connection to the hallway, enhancing the sense of space. It boasts an array of grey soft-closing units, a wine rack, a vertical radiator, stylish work surfaces with matching upstands, a one-and-a-half bowl sink, and spaces for a dishwasher, range cooker, and tall fridge-freezer. This well-appointed kitchen is perfect for both cooking and entertaining.

The lounge is the centrepiece of the ground floor, offering expansive views over Milber and the surrounding woodland, creating a serene and picturesque setting.

The ground floor also includes two bedrooms. One is a cosy double room overlooking the rear garden, which could also function as a dining room, while the other is a spacious double with a front-facing window.

Completing this level is a four piece bathroom suite featuring a panelled bath, a large corner shower cubicle, tiled splashbacks, a WC, and a vanity unit with storage.

First Floor Accommodation

Upstairs, a vaulted landing with a Velux window fills the space with natural light. The principal bedroom is a highlight, featuring a vaulted ceiling, exposed oak beam, and a large window with stunning views of the Milber woodland.
