DEVELOPMENT OPPORTUNITY

PLANNING PERMISSION GRANTED for an 8 unit new build scheme, currently incorporating 4 one bedroom, 3 two bedroom and 1 three bedroom penthouse apartments.

Please contact us for further details and GDV.

Application no: DM2023/01035

A fantastic opportunity to purchase this detached home, located in a prime South Sutton position extremely close to Sutton mainline station and the high street.

With planning granted, the new owners will have the opportunity to adapt and build to their own specification.

Alternatively, if you are looking to delay the build, the property could provide an immediate income stream with new or existing tenants as it is currently let.

The house itself currently comprises 2 large receptions, kitchen/breakfast room and study, with the further benefit of a garden room and cloakroom serving these ground floor rooms.

To the first floor, there are 4 bedrooms and family bathroom, with the house still boasting a wealth of original features.

On the outside, the south facing rear garden is perfectly proportioned, wrapping around the house to the front, where a driveway provides ample parking.

Please call the team at Butler's who will be able to provide you with any further information you may require.
