COUNTRY HOMES

Ditton ME20 6FJ

Are you looking for an immaculate high specification home in a stunning semi rural setting? If so this 4 bedroom large semi detached home situated in a residential development nestled in a countryside setting could be your next home. Originally built by Millwood Designer Homes this property has the remainder of it's new build certification in place. The balance between character features, tipping it's hat at the history and aesthetics of the location and the modern design and styling, really make this a gorgeous family home.

With 4 good size bedrooms, 2 having ensuite, this property suites those needing more space for the growing family. The views to the front and particularly the rear of the property make you feel like you are away from it all in the middle of the countryside but the reality is you are far from isolated with the villages of Aylesford and East Malling a short distance away and even a pleasant walk. The large County Town of Maidstone is a short drive, as are the excellent motorway links. Mainline stations are in East Malling and Barming, with services to London Victoria and West Malling with services to London Bridge in under an hour.

Externally the property has a landscaped garden that is large for this style of property and has the welcome addition of an attractive summerhouse to the rear. The parking, a carport and additional space can also be accessed from here in addition to a 2 car driveway to the front of the property
