Artisan traditions sit at the heart of Bellway, who for more than 75 years have been constructing homes and building communities. This proud history provides us with a solid foundation from which to develop and grow; culminating in the launch of our Artisan Collection.

Timeless qualities, such as craftsmanship, attention to detail and excellence, are combined with contemporary construction techniques to create a new generation of properties suited to today's homebuyer. External design features reflect the local environments in which we build and a

refreshed and improved internal specification carefully marries design with practicality, meeting the aspirations of our valued customers and creating homes people want to live in.

The feedback from our customers across Great Britain has helped to develop the house styles within this new range, which embody our high standards of quality and sustainability, together with an unwavering belief in workmanship. Today's lifestyles demand exceptional new homes. The Artisan Collection delivers that and more, to become our hallmark of excellence and legacy for tomorrow.

The IMA will complete a detailed Property Appraisal based on the property information and local market data.

Price discussion

Our IMA will send you the property appraisal via email and will then call you to discuss the marketing strategy for your home.

Instruction

Should you agree to proceed with Express Mover, our IMA will email you an electronic agreement for you to sign and return. This will allow the marketing process to begin.

The appointed estate agent(s) will contact you to organise viewings of your home.

Property report

Our IMA will keep you updated with regular property reports, making any recommendations which will assist in securing a sale.

Customer Care

From the first day you visit one of our sales centres to the day you move in, we aim to provide a level of service and after-sales care that is second to none.

Each home is quality checked by our site managers and sales advisors, after which we invite our customers to a pre-occupation visit. These personalised visits provide a valuable opportunity for homeowners to understand the various running aspects of their new home. On the move-in day our site and sales personnel will be there to ensure that the move-in is achieved as smoothly as possible.

Providing high levels of customer care and building quality homes is our main priority. However, we are aware that errors do sometimes occur and where this happens

it has always been our intention to minimise inconvenience and resolve any outstanding issues at the earliest opportunity.

In managing this process we have after sales support that is specifically tasked to respond to all customer enquiries.

We have a 24 hour emergency helpline and provide a comprehensive information pack that details the working aspects of a new home. A 10 year NHBC warranty provides further peace of mind.

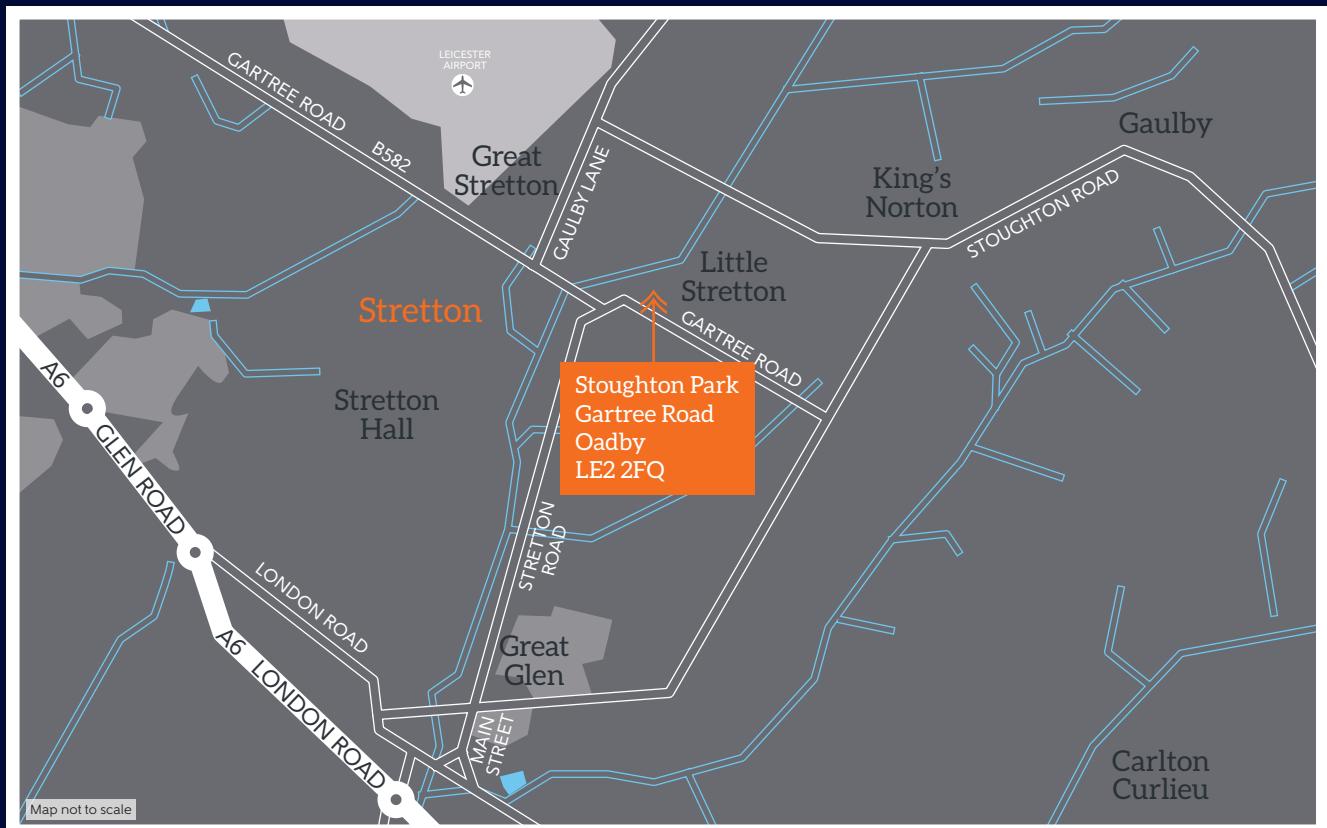

We are confident that our approach to building and selling new homes coupled with our Customer Care programme will provide you with many years of enjoyment in your new home.
