

Harvist Road
NW6

FOR SALE
FREEHOLD

£2,595,000

For Sale and available Chain Free, exclusively through Camerons Stiff & Co. A striking and substantial seven-bedroom Victorian townhouse offering 2,476 sq ft of internal living accommodation.

Situated in a commanding position on one of the area's most sought-after roads, this house offers an exceptional opportunity to acquire a truly desirable family home in an enviable location.

The property boasts an architectural typology that's extremely rare for the area; properties in Queen's Park often have loft conversions but rarely do they offer a second floor that was part of the original design. As a result, the Top Floor isn't inhibited by restricted head heights and all four bedrooms on this level offer generous proportions.

Upon entering, it becomes immediately apparent that the current owners have implemented a design scheme that's contemporary in scope yet deeply sympathetic to the original character of the building. The property retains a plethora of original Victorian architectural features, including ceiling corning, a ceramic tiled entrance hallway and Carrara marble fireplaces.

The accommodation is balanced throughout, offering sizeable rooms and a pragmatic arrangement. The Ground Floor is particularly impressive, offering two predominant living spaces; there's a double reception at the front while the kitchen is situated at the rear.

The property boasts a gorgeous, south-facing garden with several mature fig, cherry and apple trees. There's a sound-proofed home studio at the rear of the garden which would make an ideal home office.

Early viewing is highly recommended.
