

Keslake Road, NW6 Freehold - £1,999,950

For Sale exclusively via Camerons Stiff & Co is this unmodernised Edwardian terraced house offering 1,502 sq ft of accommodation over two floors. This property provides a rare opportunity to acquire a 'blank canvas' and reimagine a substantial family home on one of Queen's Park's most desirable roads.

The property retains a wealth of original period features, including dado and picture rails, decorative ceiling cornicing and skirting boards. The retention of these features mean that an ambitious purchaser could feasibly curate a living space that's contemporary in scope, yet deeply sympathetic to the property's original character.

It's worth noting that the property boasts a southerly aspect. An expansive kitchen/diner at the rear would be abundant in natural light throughout the day. STPP, there's potential to rearrange the internal layout and expand rearward, sideward and upwards.

Keslake Road is a sought-after tree-lined street, ideally located between Salusbury Road and Chamberlayne Road, with transport links via Kensal Rise (Mildmay- Zone 2) & Queens Park (Bakerloo & Lioness - Zone 2) into Central London. Early viewing is highly recommended.
