A Rare Riverside Sanctuary

This remarkable property is situated at the end of a quiet private lane, with National Trust land as its neighbour and direct access to their walking paths. What makes this home truly special is its position right on the River Thames, complete with a 57ft private mooring and exceptional views.

The current owners extended the house in 2021, bringing it to around 2,500 square feet of thoughtfully planned accommodation. Whether for a growing family, multigenerational living, or those seeking a peaceful retreat, the layout works beautifully for various living arrangements.

Flexible Family Living

Ground Floor Excellence

The heart of the home is the open-plan living area, where large windows frame the incredible Thames views. The bi-fold doors open directly onto the riverside garden, creating seamless indoor-outdoor living. One of the most practical features is the self-contained annexe with its own bedroom, kitchen-diner, and bathroom.

The ground floor includes another bedroom and bathroom, plus a second reception room that opens onto the garden - ideal for quiet evenings by the river.

First Floor Versatility

The first floor features a wonderfully flexible space currently divided by a concertina door. The private balcony here offers spectacular river views that stretch for miles. This area could easily be reconfigured as additional bedrooms if required.

Three further bedrooms, a family bathroom, and a separate shower room complete the first floor, ensuring comfortable accommodation for the whole family.

The Perfect Riverside Retreat

Your Private Waterfront

The riverside garden extends to the water's edge and is predominantly lawn - perfect for children, pets, and outdoor entertaining. The concrete slipway provides easy boat access, while the 57ft mooring allows you to keep your boat at home.

Whether you're an experienced sailor or dreaming of life on the water, this property offers direct access to one of England's most beautiful waterways. Wake up to the gentle sounds of the Thames, watch the wildlife from your garden, and step aboard your boat whenever the mood takes you.

Practical Considerations

The front of the property provides secure parking for three vehicles, ensuring convenience for family and guests alike.

Endless Possibilities

Optional Additional Land

There's also an interesting opportunity with a separate 0.33 acres plot directly opposite the house.

This land is not included in the main sale but may be purchased separately, providing even more space for:

- **Recreational activities** - the skateboard ramp shows the fun potential
- **Workshop or studio space** - the log cabin offers immediate utility
- **Future development** - subject to obtaining necessary permissions
- **Extended gardens** - more space for landscaping and outdoor living

Sustainable & Self-Sufficient

Sustainable Living

The property benefits from solar panels, generating approximately £1,800 per annum in income — a valuable feature contributing to reduced energy costs and sustainable living.

The Annexe Opportunity

The self-contained annexe represents exceptional value and flexibility. Whether used for:

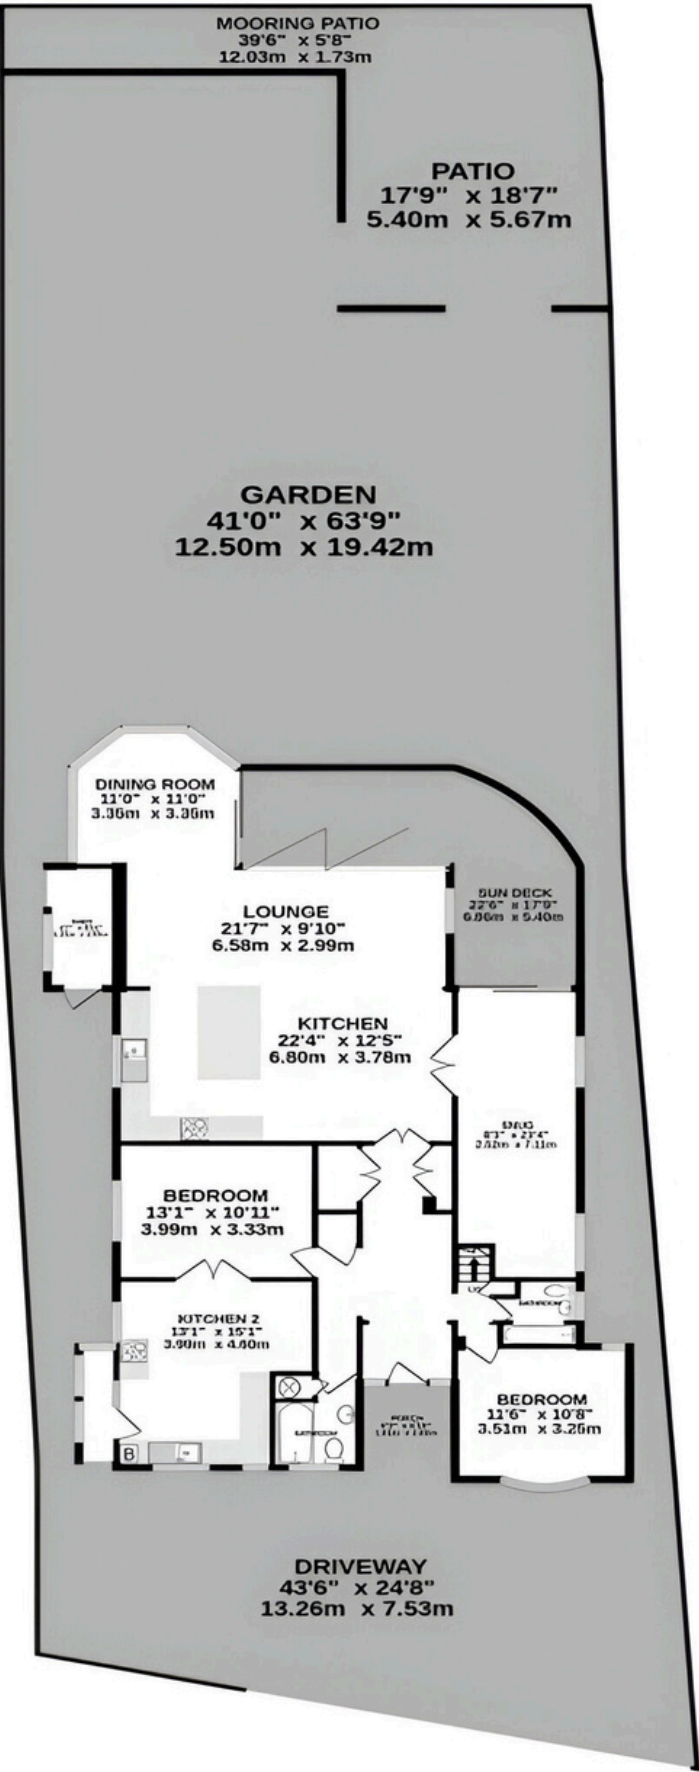

- Multi-generational living - keeping family close while maintaining independence
- Staff accommodation - perfect for nannies or housekeepers
- Guest suite - comfortable space for visiting friends and family
- Rental income - potential for holiday lets or long-term tenancy
