Glendor Road – A beautifully modernised three bedroom semi-detached home.

Tucked away in the corner of a quiet cul-de-sac, this immaculately presented semi-detached home is a true showstopper, ready for someone to move straight in and enjoy. The property has been renovated to an exceptional standard, combining ultra-modern design with practical family living and breathtaking views over Worsthorne.

The rear extension features a spectacular open-plan living space, where a sleek, contemporary kitchen with all-black fixtures and fittings takes centre stage. Bi-fold doors open seamlessly to the garden, flooding the space with natural light, while a hidden cupboard leads discreetly to the utility room, keeping the area uncluttered and stylish.

The lounge is cosy yet generous, ideal for relaxing evenings or entertaining guests.

Upstairs, the property comprises three bedrooms, two of which are spacious doubles, and a luxurious bathroom featuring a four-piece suite with a walk-in shower, freestanding bath, vanity unit. The bedrooms and bathroom are finished to an equally high standard, making the home move-in ready for families or anyone seeking a stylish and practical space.

Externally, you find yourself on the doorstep of both Worsthorne and Cliviger, meaning you are only a short distance from beautiful destinations such as Hurstwood. From a practical point of view, you are also just a short distance from Burnley town centre and all other local amenities.

A UPVC front door leads into the entrance hallway, which features a UPVC double-glazed window with views, spotlights, and laminate tile-effect flooring. The hallway provides open access to the lounge, downstairs WC, and the kitchen-diner/living extension, while stairs rise to the first floor with a wooden staircase and glass balustrade. A smoke alarm is fitted for safety.

The lounge is a welcoming space with a UPVC double-glazed bay window, central heating radiator, wall-mounted TV, spotlights, a feature gas fireplace, and phone/TV points.

The downstairs WC is fitted with a WC, wash basin with storage beneath, extractor, wall-mounted combi boiler, and half-tiled & laminate flooring.
