Some homes just feel right—the kind that make your heart beat a little faster the moment you step inside. Russells Close isn't just a house; it's the perfect match for those who crave space, style, and connection. Built by Kebbell Homes in 2019, this five-bedroom, three-bathroom detached beauty offers an effortless blend of modern design and warm, inviting charm. The open-plan kitchen, dining, and living space is made for shared moments, with French doors that let the light flood in. Upstairs, the master suite is a sanctuary, while every room offers a place to grow, rest, and dream. Set opposite the serene Hogmoor Inclosure, it's a home that embraces both nature and modern convenience, with a garage, driveway, and energy-efficient features. Some matches are meant to be—could this be yours?
