Making Moves Happen

Whether you are seeking your first family home or require additional space, this 4-bedroom terrace in Walderslade may be ideal. It is situated within an excellent school catchment area, close to various amenities, and near Walderslade Woods.

This property is presented in excellent condition throughout and includes a kitchen/diner, a front-to-back reception room providing access to the rear garden, and a downstairs cloakroom. Upstairs, there are four bedrooms (two doubles and two singles) along with the family bathroom. The property is being sold chain-free, making it an opportunity not to be missed.

You will enjoy impressive views over the North Downs, as Walderslade was originally a farm nestled in a valley in the Downs. The farmhouse remains located on Princes Avenue. The area was developed after the Second World War into the charming Walderslade Village known today.
