THE PROPERTY: This magnificent family home now offers beautifully appointed interiors finished to the highest of standards. A welcoming entrance portico, adorned with elegant creeping wisteria forming a natural canopy, sets a delightful first impression. A partial glass door opens into a commanding reception hall, where a bespoke patterned stone floor, artfully laid in a wood-effect design, immediately catches the eye and flows seamlessly into the principal reception spaces. From here, a grand staircase ascends to the first floor, while a beautifully appointed cloakroom, featuring a striking brick floor, is conveniently located to one side.

The ground floor boasts four principal reception rooms. Two are designed in an open-plan style, featuring a superb fireplace with a marble surround and herringbone chimney and enjoying delightful views over the grounds to the front. A doorway then opens into a versatile family room. At the heart of the house is an impressive living space, incorporating a sitting area and breakfast room with custom-designed joinery. This area is bathed in natural light through two stunning full-height arch windows, providing picturesque views over the beautiful gardens. Offering scope for future development, the functional kitchen includes a practical pantry and access to a utility room. This space, along with the adjoining conservatory, presents an exciting opportunity to create an impressive open-plan kitchen to the rear of the property.

On the first floor, there are four principal bedrooms, including two luxurious suites that feature spacious walk-in wardrobes and lavish en-suite facilities. A well-appointed family bathroom serves the

remaining bedrooms on this level. The second floor reveals a truly impressive and versatile space, perfectly suited for use as a principal suite or adaptable guest/annexe quarters. This floor comprises a large landing area, offering ample space for a study or gaming area, alongside a superb shower room and an expansive room with abundant built-in storage. Dormer and roof lights ensure an abundance of natural light and airflow, completing this remarkable top floor.

OUTSIDE: The gardens and grounds extend to almost half an acre and are a real feature of the property. The owners have significantly restocked plants in all of the borders, offering a high degree of colour and interest, with seclusion provided by mature and established hedging. The property is set behind a brick pillared entrance with solid accoya gates that are remote-operated, offering privacy from the road yet creating a true sense of arrival. The front garden is laid to lawn with well-stocked borders and numerous specimen shrubs and trees, an attractive sweeping gravel driveway with ample parking and a period street lamp. Immediately behind the house is an attractive patio terrace with a brick-built cooking area. Steps lead down onto an expansive lawn with herbaceous borders stocked with an abundance of specimen shrubs and trees including a delightful Laburnum. Beyond is a further area of lawn with fruit trees and potential for growing fruit and vegetables.
