We are delighted to offer this beautifully presented, high specification executive detached family home, built in 2022 and offered with no onward chain. Immaculately maintained and thoughtfully designed, this property provides modern living across a spacious layout, ideal for families and those who love to entertain.

Step inside to a bright and welcoming entrance hallway, leading to a generously sized lounge that offers a relaxing retreat. The heart of the home is the stunning open plan kitchen and dining area, featuring premium quartz worktops, integrated appliances, a stylish breakfast bar, and ample space for both everyday dining and entertaining guests. French doors provide seamless access to the rear garden, creating a wonderful indoor outdoor flow. A separate utility room and a spacious cloakroom/WC add further practicality, along with built-in storage.

The first floor hosts four generously proportioned bedrooms, including a luxurious principal suite with its own en suite shower room/WC. A sleek and contemporary family bathroom with both bath and separate shower completes the upper level.

Externally, the home is equally impressive. A private driveway offers parking for multiple vehicles, leading to a detached double garage, with electric powered door, which offers potential for conversion (subject to planning) into a home office, studio or annexe. The rear garden, mainly laid to lawn, provides a safe and sunny space for outdoor enjoyment.
