Welcome to this beautifully modernised home, thoughtfully upgraded from top to bottom. The heart of the house is the stunning new kitchen, complete with underlighting and finished to an exceptional standard. The stylish bathroom has also been fully updated, meaning this home is ready to move straight into and enjoy from day one.

The generously sized garden has been transformed into a family-friendly haven — larger than average for the area, it's perfect for summer gatherings, children's play, or simply relaxing in the sunshine.

Practical features include a three-car driveway and garage, offering plenty of parking. Nestled in a quiet corner position, you'll find parks just a short stroll away, with Milton Creek Country Park ideal for dog walks and family outings. For commuters, the A249 and local railway station are close by, providing excellent links.

This home truly combines modern style, family comfort, and everyday convenience.
