QUOTE REF RH1330

Exp is delighted to present this spectacular, fully renovated family home in the sought-after Lesney Park area, offering over 1,660 sqft of high-spec living across three beautifully designed levels.

Sleek by day and sensational by night, the exterior lighting highlights its striking kerb appeal and premium finish.

The landscaped front garden and long driveway provide a warm welcome and ample off-street parking. Inside, a spacious hallway leads to a ground floor bedroom — ideal for guests or flexible use — plus under-stair storage and a generous through-lounge with plush grey carpeting.
