£575.000 **□** 4 **□** 3 **□** 2

This unique four-floor home spans 2382 sq ft on St. Mary's Island, with a south-facing plot that floods interiors with natural light. It's been fully re-modelled with hardwood flooring throughout for a polished finish.

There is no forward chain – a smooth, delay-free purchase with no linked sales.

Standout features include a 31ft open-plan living-kitchen with Corian worktops, a 19'9 groundfloor secondary kitchen and a full-width balcony just off the lounge, perfect to sit out at breakfast or of an evening with a glass of wine. The entire top floor is a lavish master suite with a walk-in wardrobe and Jacuzzi Bath with separate Shower cubicle. The south-backing garden is great for entertaining with granite flooring and barbecue, clear the space to reveal this home's true charm.

Key note: Some Photos are from prior occupation and may not show current state – the house still does need clearing out.
