Discover modern family living at its finest in this stunning three-bedroom semi-detached home, ideally positioned in the ever-popular Peters Village community of Wouldham.

Peters Village is a thriving, self-contained riverside development on the east bank of the River Medway, renowned for its scenic walks, green spaces, and exceptional connectivity. Residents enjoy a fantastic range of local amenities including a primary school, shops, a proposed medical centre, and a village hall—all within easy reach. Designed for sustainable living, the area boasts an extensive network of footpaths and cycle routes, while the impressive Peters Bridge provides swift access to the A2, M2, M20, and M25.

For commuters, high-speed train links and dedicated coach services offer direct routes to London, with further connections to Strood, London St Pancras, Tonbridge, and Maidstone West. Families will also appreciate the excellent access to local secondary schools and transport links. A truly exceptional home in a vibrant and growing community—early viewing is highly recommended. **Quote Ref: MR1222**
