This fantastic 4 bedroom detached house has been finished to a very high standard throughout and is a perfect family home. The standout feature, among many, is the stunning 7.5m x 6m open plan kitchen/family room to the rear of the property which is such a desirable living space. So much thought has gone into practicality here including a walk in pantry, lots of built in storage cupboards including a window seat, and a log burner. There is also a separate cosy lounge to the front of the house as well as a downstairs WC. Upstairs there are 4 bedrooms, 3 of which are doubles, and a beautiful retro style bathroom. The rear garden has been thoughtfully landscaped with low maintenance in mind, and has areas of paving, an artificial lawn and raised beds for planting. To the front there is off road parking. Viewings are strictly by appointment with the sole agent, Andy Richardson.
