41 Hillpark

Enjoying far-reaching views over the rolling North Devon countryside, this attractive double-fronted detached family home boasts generous accommodation and an impressive rear garden, on the edge of the charming village of Buckland Brewer. Offering tremendous space and flexibility, the property also boasts extensive off-road parking and a double garage, set within a quiet cul-de-sac position. Thoughtfully-constructed c.2015 by highly regarded local developers, Pearce Construction, this easy to run home is perfect for families, or couples looking for a home to entertain, seeking space, comfort and style within a tranquil village position.

The property is well-located within a quiet cul-de-sac on the edge of the village, and takes full advantage of the rolling countryside vista.

Buckland Brewer is a quintessential North Devon village with a strong community, catering well for its residents with a community shop, primary school, village hall, recreational ground and the Coach & Horses Public House. Enjoying the best of country living, but just 20 mins from the beach, the village is well-located equidistant from both Torrington & Bideford. Torrington is a small market town offering a range of local shops and stores, primary and secondary schooling, public houses and restaurants and The Plough Arts Centre, whilst just to the edge of the town is RHS Rosemoor. In addition, Bideford provides a traditional pannier market and an array of pubs, shops, banks, a post office, restaurants and a regular farmers market. The picturesque quayside is still a busy working port with ships regularly seen sailing in and out of the estuary, and nearby coastal hot spots of Appledore, Westward Ho! and Instow are all close to hand too.

From Bideford, the A39 links to Barnstaple, with High Street shopping and the Tarka rail line to Exeter in the South whilst, from Barnstaple, the A361 provides a convenient route to Tiverton, where there is a direct rail connection to London Paddington, and the M5 motorway.

To the West of Bideford, and further along the A39 is Bude, the gateway to the North Cornwall coast.

OUTSIDE & PARKING

The property is approached at the front via an attractive brick-paved driveway, shared with the neighbours, and leading to the extensive driveway and large double garage with up and over doors, light and power connected. There is side access to the rear garden, which is a standout feature - beautifully landscaped and designed for both entertaining or simply relaxing and escaping the hustle & bustle. A large patio area is perfect for al fresco dining or summer gatherings, while the expansive lawn offers space for adventurous little ones to explore and play, or for keen gardeners to create their own haven. The garden is fully enclosed, making it both private and secure, and the open aspect delivers truly spectacular, far-reaching views across fields and the rolling North Devon countryside - providing an ever-changing backdrop in every season.
