Please Quote: RB1393- Ross Burbidge. Welcome to the Beckingsale Court Development, an exclusive new collection of beautifully crafted homes scheduled for completion in early 2026. For further details, please get in touch.

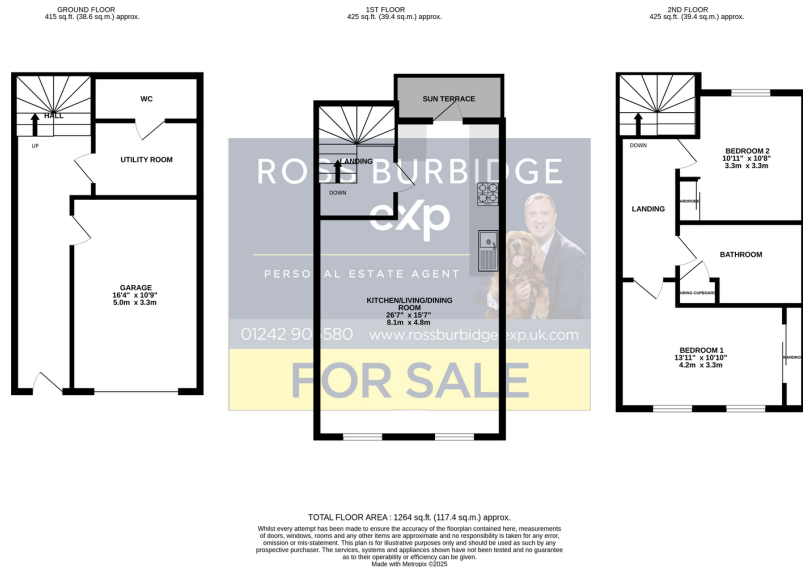

Created by Cape Homes Limited who is an award-winning Cheltenham-based developer celebrated for producing exceptional properties. The development will comprise three stylish two-bedroom apartments, three superbly finished two-bedroom houses, and one impressive three-bedroom home.

This particular two-bedroom town-house is currently under construction and has been thoughtfully designed across three well-proportioned floors. The ground level provides a private garage/ carport offering off-road parking together with secure bicycle storage and a dedicated utility area with cloakroom. The first floor presents a welcoming living space positioned at the front of the home, creating a bright and comfortable environment to relax and watch TV. To the rear, a separate kitchen and dining room opens onto a private balcony which is an ideal spot to unwind on summer evenings. The kitchen will feature of large range of cupboard units and integrated appliances as standard. The second floor hosts two generous double bedrooms, each benefiting from built-in storage, while a contemporary family bathroom completes this level with a sleek, modern finish.

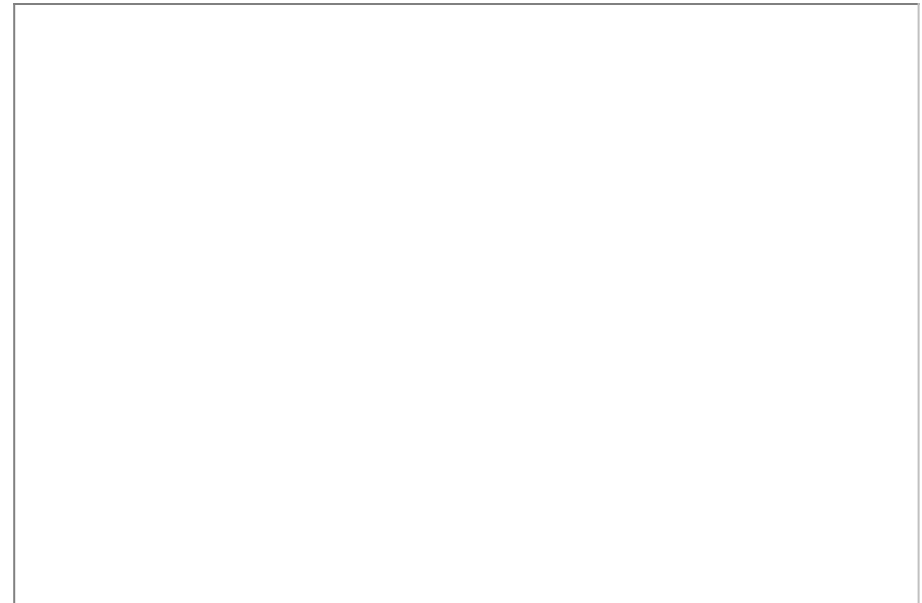

Further benefits include electric heating, no onward chain of course and lastly a 10 year warranty. This would be a fantastic first purchase, investment property or lock up and leave. Call for a viewing tour.
