Ref DH0109: Daryl Hill is pleased to present to this market this beautiful family home in a no through road setting within the delightful Village of Upton St Leonards. The stylish and particularly spacious home is very well presented and is ideal for those looking for a long term family home to grow into and enjoy. With a cavernous master bedroom suite complemented by three further generous bedrooms with a comfortable living room, stunning orangery style conservatory, fantastic kitchen/diner/family space and impressive double garage.

The gardens wrap to rear and side, and of proportions that I consider easy to maintain with space to enjoy and to the front there is a driveway for 3-4 cars.
