This much-loved home sits proudly on one of Ammanford's most sought-after streets, a peaceful, elevated spot with beautiful mountain views, privacy to front and rear, and easy access to everything the town has to offer.

Triple glazing, installed in October 2025, ensures the home stays quiet, warm, and energy efficient throughout the seasons. Inside, it's full of charm, with spacious rooms, character features, and plenty of scope for a new family to make it their own.

The family room is the heart of the home, a warm, welcoming space centred around a traditional Rayburn stove, perfect for those colder evenings. The layout flows naturally through to the front lounge and kitchen, creating a lovely sense of openness while keeping each area cosy and defined. From the front windows, you can enjoy sweeping views of the mountains, changing with the light throughout the day, a view you'll never tire of.

Upstairs, three comfortable bedrooms and a generous family bathroom offer space and versatility, all benefitting from natural light and a peaceful outlook.

The large rear garden is a real highlight, private, sunny, and full of potential. There's a lawned area, mature planting, two sheds, and a small covered fish pond for safety. Multiple seating spots make it ideal for outdoor dining or simply relaxing in the evening glow.

To the rear, a private driveway provides parking for two cars, with further space on the road at the front.

For families, the location couldn't be better — with a local school just a 3-minute walk away, playing fields directly behind, and a children's park nearby. Ammanford town centre, shops, and cafés are within easy walking distance, and both Ammanford and Pantyffynnon train stations offer convenient links for commuting. The M4 motorway is around 10 minutes away, providing fast access to Swansea, Llanelli, and beyond.

This is a rare opportunity to own a property on this sought-after street a home that offers space, sunshine, and potential in equal measure.
