"Having lived here for 12 years, we've made great use of what the location has to offer; schools, brilliant transport links and lots of shops all walking distance away. The local parks have been ideal too for our children, plus to woods nearby for dog walking and rambling. Our garden gets lots of sun, so summer garden parties are a must and we've excelled at growing our own strawberries. We'll certainly miss our home, but am sure new owners will love the home for the same reasons we bought it, space and location." - a fantastic house, perfectly summed up by its owners.

Located on a popular road in Northfield, this charming three-bedroom home on Hawkesley Mill Lane offers a perfect balance of space, comfort, and convenience. With excellent transport links, local amenities, and green spaces nearby, this property is ideal for families, first-time buyers, or those looking to upsize. Step inside and discover a light and airy interior, featuring: a large entrance porch which is practical and convenient when coming home with shopping bags or having prams, scooters and alike where space is needed. From the porch you enter through a door into the cosy and inviting hall, which has stairs to the first floor, a door to the lounge diner and a door to the extended kitchen breakfast room, plus a door to a convenient under stairs store cupboard. The lounge diner, with its two lovely fireplaces, high ceilings and large double glazed windows to front aspect plus French doors to its rear, allows an incredible amount of light to flood the room, making this a great space to entertain, relax and gather as a family. The heart of a home is its kitchen and this superb extended space is no exception. With fitted wall and base units offering a superb amount of space and storage, also a practical breakfast/dining area to further entertain and come together as a family. This room also benefits from two large double glazed windows plus French doors out to the patio and rear garden. The first floor offers three well-proportioned, bright and comfortable bedrooms of which two have built-in wardrobes, plus a large and modern family bathroom. Outside, the property continues to impress with a large, private rear garden and patio, enclosed with fencing to offer peace and seclusion - perfect for outdoor dining, play, or simply unwinding. At the front, there is off-road parking for two vehicles, adding to the home's convenience.

Situated in a sought-after location, this home benefits from great transport links, with the Bristol Road offering numerous buses into and around Birmingham, plus Northfield Train Station which being on the Central Line, serves stations such as Redditch, University of Birmingham, Queen Elizabeth Hospital and New Street Grand Central to name a few.

For families, easy access to local schools, nurseries and a College, plenty of local shops including Longbridge Village and Northfield Town Centre, plus local parks, and a welcoming community atmosphere.

A fantastic opportunity not to be missed - schedule your viewing today!

### Mine Entry

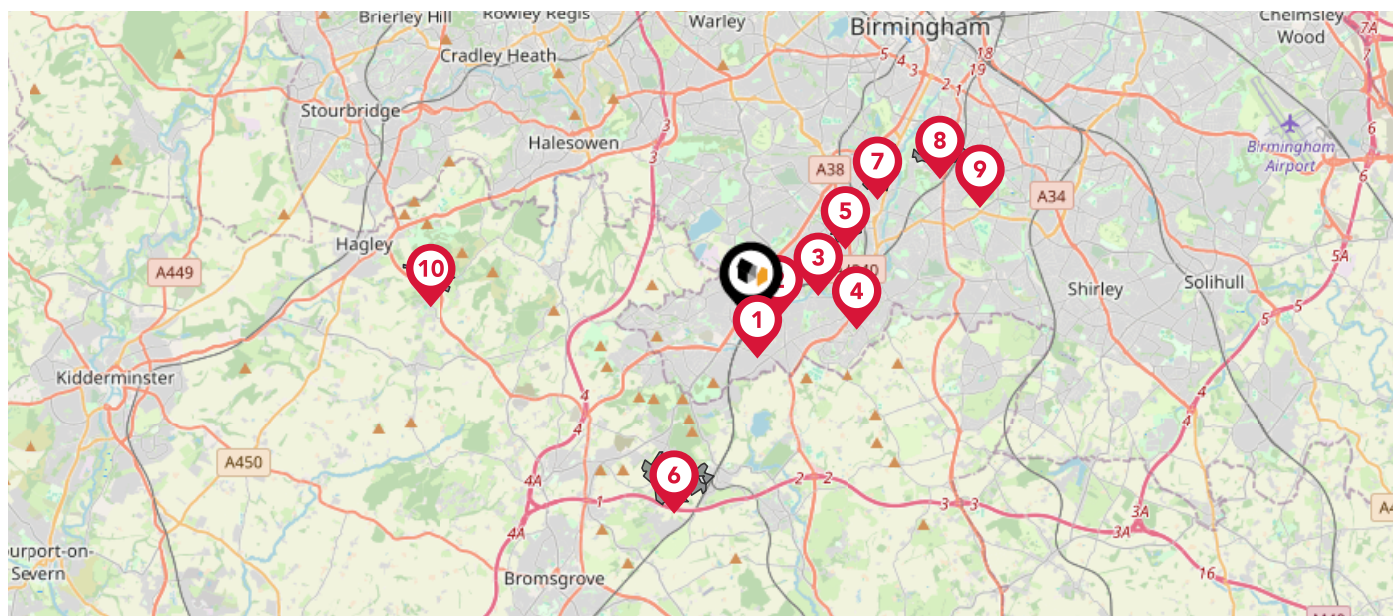

- ✕ Adit
- ✕ Gutter Pit
- ✕ Shaft

The Coal Authority has records of over 175,000 mine entries within the UK captured in the National Coal Mining database, derived from sources including abandonment plans, geological and topographical plans.

Coal mining activity is recorded as far back as the 13th century, but prior to 1872 there was no requirement to deposit abandonment plans. It is therefore believed there may be many unrecorded mine entries of which the Authority has no information or knowledge. These entries do not, therefore, appear within the Authority's national dataset as shown on this map.

This map displays nearby official conservation areas. Every local authority in England has at least one conservation area. Most are designated by the Council as the local planning authority, though Historic England and the Secretary of State also have the power to create them.

### What is Radon?

Radon is a natural radioactive gas, which enters buildings from the ground. Exposure to high concentrations increases the risk of lung cancer. The UK Health Security Agency (UKHSA) recommends that radon levels should be reduced in homes where the annual average is at or above 200 becquerels per cubic metre (200 Bq/m<sup>3</sup>).

## Road Noise

DEAN COLEMAN

This data indicates the level of noise according to the strategic noise mapping of road sources within areas with a population of at least 100,000 people (agglomerations) and along major traffic routes. This indicates a 24 hour annual average noise level with separate weightings for the evening and night periods.

Noise levels are modelled on a 10m grid at a receptor height of 4m above ground, polygons are then produced by merging neighbouring cells within the following noise classes:

- 75.0+ dB
- 70.0-74.9 dB
- 65.0-69.9 dB
- 60.0-64.9 dB
- 55.0-59.9 dB

### Testimonial 1

We had a first class experience from start to finish. Our agent was professional, knowledgeable, experienced and a very friendly person. Im sure his nature and professionalism attributed to selling our house in under a week. After the first viewings our hose was sold, for asking price. The whole timescale to sell took around 12 weeks and Dean was amazing. I had his number and could message about anything, no matter how trivial.

### Testimonial 2

I would highly recommend Dean, Very good at booking viewings and working around what suited me. Dean certainly knew his stuff! He made the whole process so much easier and explained everything clearly along the way. He always answered the phone and we never felt like he was too busy or uninterested even though he had loads of other properties to deal with. He had a wealth of experience and always kept us up to date with what was going on.

### Testimonial 3

We have just sold our property and I couldn't be happier with the process. Dean has been fantastic throughout the process, he really went the extra mile in terms of helping out with various enquiries to organising the key handover, he really made a difference during the sale and gave the process a personal touch. Would highly recommend Dean!
