RL0918 – Oakland Avenue, Stockton Lane, York

Set on the ever-popular Oakland Avenue, just a mile from York city centre, this beautifully refurbished home blends city convenience with suburban calm.

The main house opens with a welcoming hallway, leading to a bay-fronted lounge and a stunning open-plan living kitchen. Finished with granite worktops, a breakfast bar and premium Miele appliances, it's the heart of the home, bathed in light from a roof lantern and bi-fold doors opening to the landscaped patio garden. A utility and ground-floor shower room add further practicality.

Upstairs, three bedrooms and a stylish bathroom occupy the first floor, while the top floor hosts a superb master suite with vaulted ceilings, electric Velux windows and a private en-suite.

Outside, a carriage driveway offers generous parking and the low-maintenance garden is perfect for entertaining. A real highlight is the oversized detached garage, now converted to a self-contained annex with living kitchen below and an en-suite bedroom above—ideal for family, guests or home working. (currently under review with planning)

Stylish, spacious and flexible, this is a rare opportunity in one of York's most desirable areas.

Total floor area: 217.6 sq.m. (2,342 sq.ft.)
