REFERENCE BA0665 Situated within this highly desirable village location is this Detached Bungalow that occupies a good size plot in a favourable cul-de-sac. The property has been in my clients ownership since 1994 and whilst work is required, the property presents the perfect opportunity for a buyer to create a fabulous home. There may also be scope for extension and re-modelling subject to building regulations and planning permission. All rooms are well proportioned, the garden offers a good level of privacy and there is a double garage as well as driveway parking.
