NO FORWARD CHAIN

A conveniently located semi-detached home in the popular village of Eye, with many local amenities within walking distance, such as a variety of food outlets, Co-Op supermarket, public house, and doctors surgery, as well as offering easy access to the City Centre via car or regular buses. The property requires a scheme of renovation works after recently becoming vacant following a long period of tenancy.

Hosting internally three bedrooms, a family bathroom, living room, and a kitchen with integrated cooker, and a conservatory. There is a front garden which offers potential to turn into off street parking like neighbouring properties, subject to obtaining relevant permission for a dropped kerb. To the rear the garden is mainly laid to lawn and would also benefit from some tidying up. We would like to note that the boiler has recently been replaced to a gas combi system.
