Cissbury Ring

Werrington, Peterborough, PE4 6QJ

Situated within the popular residential area of Werrington, Peterborough, this attractive semi-detached bungalow on Cissbury Ring offers comfortable and versatile accommodation in a convenient setting. Dating back to the 1960s, the property was originally arranged as three bedrooms and has since been thoughtfully reconfigured to provide generous living space, making it ideal for a range of buyers.

The accommodation begins with a welcoming entrance hall, leading to two well-proportioned double bedrooms. The spacious living room forms the heart of the home and enjoys sliding doors opening directly onto the rear south west facing garden, creating a wonderful sense of light and space while allowing for easy indoor-outdoor living. A well-maintained three-piece bathroom serves the property, along with a separate utility/store room which was previously utilised as a bathroom, adding flexibility to the layout. The cottage-style kitchen/breakfast room offers a warm and inviting space, perfect for everyday dining. Further benefits include gas central heating, powered by a Worcester Bosch boiler installed approximately three years ago. Externally, the south-west facing rear garden is a standout feature, offering a generous and private outdoor space with a lawn, patio area and pergola—ideal for entertaining or relaxing in the warmer months. To the front, a block-paved driveway provides ample off-road parking, with potential to add a carport or garage to the side, subject to the necessary consents. This well-presented bungalow is rarely available in such a desirable location, and early viewing is highly recommended to appreciate the space and lifestyle on offer.
