ENTRANCE

Entrance gained via a uPVC and decoratively glazed door, into the living room.

LIVING ROOM

A well-proportioned principal, reception space with the main focal point being a coal effect gas fire set within gas surround, there is ceiling light, exposed timber to ceiling, central heating radiator and uPVC sash window to the front.

DINING KITCHEN

From living room, a timber door leads through to dining kitchen, a well sized open plan space separated into two principal areas with ample room for table and chairs if so desired. The kitchen itself has a range of wall and base units in a wood effect shaker style in grey, with contrasting laminate work tops with matching upstands. It has integrated appliances in the form of electric oven with matching electric hob with glass splashback and extractor fan over, plumbing for a washing machine, plumbing for a dishwasher and space for free standing fridge freezer and composite sink with chrome mixer tap over. There are two ceiling lights, central heating radiator, uPVC double glazed window to the rear and timber uPVC single glazed window through to the garden room, which is accessed via timber and glazed door. From dining kitchen there is also a staircase which rises to first floor with storage cupboard underneath.

GARDEN ROOM

A single story addition to the home, with timber double glazing to two sides overlooking the garden, there are ceiling lights, central heating radiator, wood effect laminate flooring and timber and glazed door giving access out. Door in turn then leads through to store, a useful store area with the potential to create a utility or downstairs W.C, given necessary permissions are obtained.

FIRST FLOOR LANDING

From dining kitchen staircase rises and turns to first floor landing with ceiling light, uPVC double glazed window to the side and access to the loft via a hatch, here we gain entrance to the following rooms.
