## Description

A rather unique opportunity to acquire this special family home, a double bay fronted, detached Victorian villa bursting with character, period features, high ceilings and phenomenal grounds. The property provides spacious accommodation in excess of 1700sqft (including home office) arranged over two floors. The ground floor has an open plan layout, creating a seamless flow between the living spaces. This design not only enhances the sense of space but also allows for natural light to flood the rooms, creating a warm and inviting atmosphere.

Upon entrance there is a lovely front reception with bay window and feature fireplace which leads into the newly fitted, high grade kitchen with fitted appliances. There is also a downstairs WC and an impressive double reception room with log burner, fitted cupboards/shelves, striking vaulted ceiling and bi-folding doors which open up onto the rear garden. The garden is truly exceptional measuring approximately 200ft deep separated into cleverly landscaped sections to include patio area, perfect for al fresco dining and entertaining, mature pond, children's play area and a superb high specification home office with glass sliding doors, impressive internal lighting and high level insulation. Behind the studio is more garden space currently housing a cabin and storage shed.

The first floor contains a stunning master bedroom with square bay window at the front, a good sized double bedroom in the middle, a newly renovated family bathroom with underfloor heating and another fantastic double bedroom to the rear overlooking the grounds. All the bedrooms have bespoke fitted wardrobes. There is also huge scope to expand further into the loft and on the ground floor, should a buyer wish to (subject to necessary consents). Furthermore, the property is being sold with no onward chain. We highly recommend an internal viewing to truly appreciate what this incredible home has to offer.
