Description

An elegant and skillfully extended 4 bedroom semi detached family home with impressive accommodation approaching 1550 square foot (to include garage/gym), occupying this bold corner plot providing an abundance of parking and a delightful 100 foot south facing rear garden. The generous internal space is well presented and exceptionally well balanced over 2 floors, the emphasis on the ground floor is on family life and entertaining with a large 25 foot open planned lounge & dining room, a modern fitted kitchen/diner with utility area, spacious shower/cloakroom and a huge integral garage (currently being used as a gym) with vaulted ceiling providing ample storage for the active family. The upper floor features 4 good sized bedrooms and a large family bathroom which has the potential to accommodate a bath and walk in shower, the generous landing provides ample space for a staircase up to the loft area which could be converted to provide a 5th bedroom and 3rd bath/shower room (subject to necessary consents). The home is presented to a high standard internally, decorated in neutral tones with large double glazed windows and doors also help to make the property incredible light throughout. Externally the grounds feature an incredible 170 square foot landscaped frontage with parking for multiple vehicles and the easy potential to create car charging points, at the rear the delightful south facing garden extends to 100 foot with a large patio (ideal for al-fresco dining) and a large shed providing additional storage. Corner plot properties of this size offering further potential are in high demand in this area and therefore we would thoroughly recommend an internal inspection to fully appreciate this wonderful family home.
