## 19 The Green, Sharlston Common, WF4 1EE

### For Sale Freehold Offers In Excess Of £650,000

A stunning Grade II listed old period home offering four/five bedroomed accommodation set in a commanding position on a large plot in this highly sought after rural area facing the village green.

With a gas fired central heating system and predominantly sealed unit double glazed windows, this fantastic old period detached home has been skilfully extended over the years, yet retains a wealth of characterful features. An old panelled front entrance door leads into a modest entrance hall that then flows through into a much grander L-shaped reception hall. Alongside is the principal living room overlooking the front of the house and having a feature fireplace. There is a separate dining room in addition, as well as a wonderfully atmospheric barn room enhanced by a beamed and trussed vaulted ceiling creating an enviable family space. There is a large farmhouse style kitchen with double doors out to a lovely sheltered patio sitting area and steps lead down into a useful multi purpose laundry room with a traditional pantry and further storage room off. To the first floor the principal bedroom is of fine proportions and flows through into an adjoining dressing room and then on into an en suite shower room. The second large double bedroom could easily be sub-divided to provide two separate bedrooms, alongside the two further double bedrooms, all which are served by the family bathroom. Outside, the property is approached via a sweeping driveway that leads through lawned gardens, culminating a broad parking and turning area in front of a double garage. There is a gardeners toilet in addition. Round to the rear there is a lovely sheltered patio sitting area with a pergola, beyond which is a well proportioned lawned garden with further sitting areas and a useful wooden shed.

The property is situated in the heart of this sought after rural enclave, surrounded by some fine countryside yet within easy reach of a good range of shops, schools and recreational facilities. A broader range of amenities are available in the surrounding centres of Pontefract and Wakefield. The national motorway network is readily accessible.
