Description

Waterfords are delighted to present to the market this wonderfully extended detached family home on a quiet estate in Camberley.

The property was originally built by the renowned Charles Church and offers a wealth of space internally and externally. Well presented throughout and offering a large individually designed and modern open plan kitchen / breakfast / dining area with modern Neff appliances, granite worktops and separate utility. There are two sets of bi-fold doors that span the width of the rear extension

offering further extension of space to the patio area. There are two further reception rooms to include a large 21ft living area and sizeable study along with a downstairs cloakroom.

To the first floor there are four double bedrooms, three of which have large built-in storage along with the master benefiting from an ensuite. The family bathroom serves the three additional bedrooms.

To the front there is ample parking for several vehicles and access to the double garage which has an integral door from the utility as well. The rear of the property offers a large patio, mainly laid to lawn with shrubbery and provides a high-level of privacy.

The location is ideal for those seeking easy access to sought-after schools along with access to Camberley town centre and London.

Considering the extension made already, the property does have scope for further extension subject to necessary planning via Surrey Heath Council.

We highly recommend organising a private viewing at the property to see what this has to offer.
