An exciting array of space-saving storage solutions have resulted in a magnificent clutter-free visual aesthetic, immediately apparent upon entry to the open plan kitchen and reception room. A trio of dimmer switches allow for perfect mood lighting to be achieved in this picturesque living space, whether it be for setting the low-lit scene for a marathon weekend of Stranger Things, cosied up on the cream three-seater sofa, or brightening things up to examine every corner in preparation of the first visit from your mother-in-law. Tucked away in the corner is a beautifully designed kitchen, offering thick wooden work surfaces, sleek handle-less white cabinetry and expertly integrated appliances, including an over-counter microwave and cleverly concealed fridge-freezer. Light wooden floorboards and crisp white walls offer a wonderfully bright and neutral backdrop to the double bedroom, furnished with a mirrored triple wardrobe, white chest of drawers and a charming ottoman double bed with plentiful interior storage. Fashioned entirely in white is the bathroom next door with large-format tiles decking the floor, walls and full-sized bathtub, resulting in a fabulously low-maintenance, light and airy sense of space.
