An open plan lounge and kitchen area awaits past the hallway, with beautiful wood flooring throughout, large bay windows and original cornicing. Recessed lighting lines the high ceilings, dancing light across the kitchen's fitted subway tiling and stainless steel appliances. Two small carpeted steps lead you intriguingly down into the master bedroom, where a double bed lies peacefully tucked within an alcove and just out of view of two patio doors. Here you can step out onto the rear decked garden area and enjoy a private outside space all of your own within idyllic and leafy North London. This perfectly sized outdoor area is crying out for your personal style stamp - be it a lick of white and abundance of rich green planting, or a minimalist haven for topiary - you have a blank canvas on which to work your magic.
