## Outside:

### Rear Garden:

Flagstone patio area with low level brick wall, cold water mains tap, fronting a modest sized lawn area with shaped brick bordered beds to each side and a pathway to the steps leading up to the redundant covered swimming pool.

Across the width of the rear boundary there is a timber pool house, ideal for refurbishment with the potential also as a very useful office space if required.

To the side of the conservatory, there is a covered storage area (measuring 78 x 95) which allows access to the garage via a part glazed door and casement window to the side. It also houses the heating and filtration pump system for the swimming pool, which we must advise is untested.

### Pool House: (18' 09" x 7' 04") or (5.72m x 2.24m)

A wide veranda with a run of multi pane windows together with an entrance door.

### Lounge Area: (7' 03" x 18' 08") or (2.21m x 5.69m)

A versatile space which could be used for storage purposes or as a relaxation lounge.

### Changing Room: (10' 06" x 7' 03") or (3.20m x 2.21m)

Multipane glazed window to front elevation.

### Kitchen Utility Area: (5' 03" x 4' 04") or (1.60m x 1.32m)

single drainer sink unit with cupboards beneath and shelving above, part tiled surrounds.

### Shower Room WC: (5' 06" x 4' 07") or (1.68m x 1.40m)

### Garage/Store Room: (21' 07" x 7' 08") or (6.58m x 2.34m)

Offering plenty of scope for conversion (subject to local authority permission) this sizeable garage includes twin wood panel doors to the front elevation, ceiling strip lighting, wall mounted boiler, fitted worktop with inset single drainer sink unit and mixer taps with cupboards beneath as well as above. There is also plumbing provision for a washing machine, part single glazed door with casement window to side, opening up to a useful covered storage area.
