Pirton

Hertfordshire SG5 3QT

Guide Price £750,000

A spacious detached chalet style home standing on a large North-Westerly facing plot with a garage and ample off-street parking.

Built originally by our clients father, this rarely available home has never previously been sold. It is situated within a popular and established residential location and is well placed for all village amenities.

The accommodation presently features a wide entrance hall with parquet flooring and built-in storage, a large sitting room and separate dining room with direct garden access. A refitted kitchen with appliances, good sized main bedroom and bathroom on the ground floor whilst upstairs there are three large double bedrooms and a cloakroom.

Whilst requiring updating and refitting, this attractive home in our opinion offers enormous potential and, subject to obtaining the required consents, could be extended to create a substantial family home.

Viewing therefore is highly recommended.
