Pirton

Hertfordshire SG5 3FA

Guide Price £660,000

A bright and spacious modern home standing on a good-sized south westerly facing plot with a large garage and off-street parking. Constructed in 2020 by Spitfire Bespoke Homes, this attractive home forms part of a small, private development of similar styled homes with direct access to a large meadow.

The property has been built and finished to a high specification and includes Porcelanosa tiling, under floor central heating to the ground floor, Villeroy & Boch sanitary ware plus a fabulous, bespoke Shaker style kitchen with quartz work surfaces and built-in appliances. Unusually, both ground and first floors feature high ceilings.

The accommodation features an entrance hall with a large storage cupboard. Oak doors then provide access to a cloakroom and a very impressive, open plan social living space which includes the kitchen, dining and living space with direct garden access. Upstairs, the master bedroom features a walk-through dressing area and en-suite shower room. In addition, there are two further large double bedrooms and an impressive main bathroom with separate shower.

Outside the garden has been landscaped to a high standard and offers a good degree of privacy. The garden features a large natural paved patio area and a modern, versatile garden room which is equipped with heating, electricity and internet connection. The large integral garage also offers enormous potential.

An early viewing of this fabulous home is highly recommended.
