Viewings to commence Friday 5th September 2025

An attractive, CHAIN FREE, 1920's built, semi detached house that stands on a large, private plot with a garage and ample off street parking. It is situated within a popular and established residential location plus is well placed for many amenities including the vibrant town centre, station and good schools covering all age ranges.

The accommodation features an entrance hall with a cloakroom. A fitted kitchen with appliances. A front sitting room with a walk in bay window and central fireplace. A dining room with a central fireplace and direct access to a rear sun room with attractive views over the garden.

Upstairs there are three good sized bedrooms plus a bathroom and large store cupboard. The property is heated via a modern gas fired central heating boiler plus most of the windows and doors have been replaced with uPVC double glazed units.

The property also offers in our opinion enormous potential to extend, remodel or convert the loft space subject to acquiring the required consents.

An early viewing is therefore highly recommended in order to appreciate the full potential that this rarely available property has to offer.
