Edgewood Cottage, Gypsy Lane, High Wycombe, Buckinghamshire, HP11 1DS
Offers In The Region Of £1,350,000

Edgewood Cottage, Gypsy Lane, High Wycombe, Buckinghamshire, HP11 1DS

Situated, in arguably one of High Wycombe's most sought after areas, is this simply stunning, four double bedroom, detached cottage that offers over 3,000 sq ft of accommodation and has been superbly designed and extended, as well as being offered in almost show home style condition to an extremely high standard of finishing/fittings. It is hard to know where to start first as there are so many striking features to this fantastic home, from wonderful construction and sympathetic design, to it's stylish double bedrooms that all come with en-suites and two with vaulted ceilings, to its sizeable grounds that are enclosed by a brick and flint wall, and considering its proximity to the town is remarkably secluded. The house is tucked away in a quiet spot, backing allotments in this picturesque conservation area, that gives a real country feel, whilst providing convenient access to the town centre, Handy Cross, Junction 4 of the M40, John Hampden Grammar School, Wycombe High School and is a short walk to Wycombe's train station making it perfect for those still needing to commute. The accommodation includes; entrance hall, guest cloakroom, study/playroom, large living room with bi-folding doors to courtyard and a log burner with a featured brick and tiled surround, huge open plan modern fitted kitchen/breakfast area/dining room/utility space with two sets of bi-fold doors opening to a patio area and gardens, spacious cellar and to the first floor four bedrooms all with en-suites. The property also benefits from; gas central heating, double glazing, gated driveway parking, double garage with office/loft space above, enclosed rear garden with various areas that are perfect for entertaining. This really is a rare opportunity to acquire a wonderful home in a sought after location and we strongly recommend an internal viewing to fully appreciate the space, layout and location. There is also a complete chain above.
