5 Stokesley Rise, Wooburn Green, Buckinghamshire, HP10 0SS

Sitting at the end of this quiet cul-de-sac is this well looked after, two bedroom semi-detached house located in the highly sought after village of Wooburn Green. The property is well presented and comes with a stunning rear garden which benefits from a newly laid patio which is perfect for entertaining, as well as being great for those that commute to London with Junction 3 of the M40 just a few minutes drive of the house and Wycombe and Beaconsfield train stations both within easy reach. The accommodation includes; Entrance hall, fitted kitchen, lounge, two bedrooms and bathroom. The property also benefits from; gas central heating, double glazing, built in wardrobes, garage with access from rear garden, driveway parking for two vehicles and enclosed rear garden that is larger than average due to being at the end of the run of houses and providing more of a corner plot feel. The property is beautifully presented and would make an excellent first time purchase especially for those looking to commute to London, or a buy to let investment with a rough rental figure of £1450-£1500 PCM. There is also the potential to convert the garage if you required more downstairs accommodation, obviously subject to obtaining the relevant planning permission, an internal viewing is highly recommended.
