Hurst are pleased to offer to the market this extended, three bedroom, semi-detached family home that has been well cared for over the years and is offered in good condition throughout. This spacious property is situated in a popular cul-de-sac to the East Side of High Wycombe's town centre, giving good access to both junction 3 & 4 of the M40 making it perfect for those looking to commute, as well as offering a larger than average plot which provides a sizeable rear garden that would appear to lend itself to further expansion to the rear, subject to obtaining the relevant planning permission. The accommodation comprises; entrance hall, large lounge/dining room, family room, modern fitted kitchen/breakfast room, shower room, utility area, three bedrooms and family bathroom. The property also benefits from; driveway parking, double glazing, larger than average and enclosed rear garden that is South/West facing and gas central heating.
