Hurst are pleased to offer to the market, this three bedroom, semi-detached family home, located in a hugely popular yet quiet crescent, in a sought after and central location within the Downley area, offering superb access to the local schools and shops, as well as miles of countryside walks close by, covering West Wycombe Village through to Hughenden Valley. The property has been modernised and upgraded by the current owners and is offered to the market in good condition throughout and would appear to offer potential for expansion to the side or rear subject to obtaining the relevant planning permissions. The plot is of an enviable size with a large rear garden which offers stunning views across the valley and towards West Wycombe, and although it is North facing the garden still gets a large amount of sun due to the length of garden size. The accommodation includes; entrance hallway, fitted kitchen, spacious lounge with bay window to front aspect, with connecting doors to dining room that has French doors opening onto a decking area, three bedrooms and family bathroom. The property also benefits from; gas central heating, double glazing, enclosed rear garden that comes with a decking area and far reaching views, garage and driveway parking for up to two/three vehicles. This property would make a wonderful family home and an internal viewing is highly recommended.
