This home is found in a superb spot in the popular village of Shavington and enjoys being walking distance to both Shavington Primary School and Shavington Academy, the local amenities in the village centre, and some picturesque countryside walks.

Approached via a paved driveway with enough space for two vehicles, the property is entered via a separate entrance hall with stairs leading to the first floor and access to a cosy lounge with an eye-catching log burning fireplace. To the rear aspect you will find a fantastic kitchen/diner which has open-plan access into a sunroom, providing a great space for living and entertaining. The modern kitchen/diner is complete with integrated dishwasher, double electric oven, 4 ring induction hobs, and a range of wall and base units with ample worktop space. The sunroom makes for a great additional reception space and boasts French doors leading out to the garden. Also, on the ground floor there is internal access into the huge integral garage with space and plumbing for both a washing machine and dryer, plus the recently installed boiler. To the front of the garage is an electric roller door leading out to the driveway at the front of the property.

To the first floor you will find a master bedroom which spans the entire length of the house and the three other bedrooms which are all also great sizes and can each fit a double bed if required. The accommodation is then completed by a modern three-piece suite family bathroom with shower over the bath and a heated towel rail.

Externally this home continues to impress with a huge split level rear garden, with patio, lawn, and shingled areas. To the front there is a further lawn with well-maintained flower bed borders and the driveway leading up to the property. The property also benefits from solar panels which are currently leased and for more information regarding these then please contact the selling agent directly.
